Camp Expectations....

- 1.) Walk from place to place calmly and quietly
- 2.) Use side built-in stairs and go through the doors to enter/exit stage into the front of house.
- 3.) Wear loose fitting clothing and comfortable tennis or jazz shoes. Keep shoes on feet at all times.
- 4.) Respect the space around all curtains. Make sure you leave room for them to open and close easily without touching you.
- 5.) Remember water and pencil each day.
- 6.) Try everything
- 7.) Support everyone positively
- 8.) Directors direct and actors act
- 9.) Respect your camp mates and they will respect you
- 10.) Show your respect for the CSFAC lobby and theater area by only eating food in the multipurpose room.
- 11.) Show your respect for costumes by waiting to eat until you are out of costume and hanging costumes up neatly when finished.
- 12.) Treat props carefully – someone spent a lot of time making them. Remember if it is not your prop (i.e. you are not the first actor to touch it on stage), then you should leave it alone.
- 13.) HAVE FUN!!

I have read and understand these expectations:
