

Parent Help Needed

Are you interested in helping with the production? Well, you know theater. We can ALWAYS use some help. Here are some things we know we need help with. As the weeks progress we may have other things to add.

BEFORE PERFORMANCE

Tasks Needed:

- 1.) Truck
 - a. We need to load some platforms and flats into a truck at our storage unit and deliver them to the theater. The storage unit is right near the theater so not a lot of driving.
 - b. We need a truck on **Wednesday, June 17 ideally starting at 9 a.m.** and for approximately one hour.
- 2.) Sewing
 - a. We need one or two parents who are available during the day to help our costume designer with some sewing projects. Schedule is flexible. Help needed on June 17, 18, 19, 22, 23 and 24.
 - b. We need parents who are able to take some sewing projects home. The costumer will provide you with projects to take home and return the next day. These are usually hemming or hand-sewing projects.

PERFORMANCE DAY

- 3.) Parents to work the ticket sales table (2 or 3)

AFTER THE SHOW IS OVER:

Tasks Needed:

We need some help organizing our space at the BMES/Kiwanis Black Box Theater located on the north side of Black Mountain Elementary School. We use this theater a lot for our youth theater classes and rehearsals. If you like to organize and/or are good at putting things in boxes, we could use your help the week of July 6.
